

LIGHT UP KINGSTON

8TH – 18TH FEBRUARY 2024 4.30pm – 9.30pm daily

Light up your February in Kingston with new light installations to experience for free

1 HEOFON LIGHT MAZE

Designer: Ben Busche of Brut Deluxe. Lose yourself in this unique cosmos of light patterns and ever-changing colours.

2 SHOW YOUR TRUE COLOURS

Designer: Arro in collaboration with Kingston First. Embrace your true self as you bask under the neon lights of this fabulously lit tree.

3 REUNION

Designer: Kumquat Lab. Bring this installation to life by interacting with the coloured light arches which curve towards each other.

4 LIGHT BENCHES

Designer: Bernd Spieker & LBO Lichtbank. Sit and reflect on these illuminated light benches.

5 ECHOLOCATION

Designer: Mat Collishaw, in collaboration with Kingston University. Marvel at this video installation drawing on Kingston's rich history.

6 PROJECTION SHOW 'OFF THE WALL'

Designer: Double Take Projections. Enjoy the amazing colour and show stopping custom designed artwork.

7 NEON LONDON ROAD

Designer: Arro in collaboration with Kingston First. Take a selfie under the illuminated archway celebrating independent art, culture, and local businesses at the top of the historic path that once connected Kingston to the capital.
